

# Astronomy Open House

**This fall, the west coast's largest astronomy exhibition** comes to the San Jose Convention Center, presented by the Advanced Imaging Conference.

**In past years, admission was restricted** to attendees of this annual world famous meeting.

**But this year, for one day only, the Astronomy Exhibition is open** to everyone.

**It's an amazing collection** with 35 of the world's leading manufacturers and most trusted astronomical retailers who will help you make the best selection that meets your budget.

What's in store?

TELESCOPES, CAMERAS,  
EYEPIECES, BINOCULARS,  
TELESCOPE MOUNTS,  
OBSERVING AIDES, BOOKS,  
VIDEOS AND MUCH  
MORE!
